

## About Intefun

Intefun is one of the most innovative, adult toy production houses in Asia. With close ties to one of Asia's largest manufacturers, we manufacture, supply and distribute adult novelties, marital aids and sexy lingerie. There is a good chance you may have come across our products in sex shops, mail-order catalogues, sexology clinics and sex education media worldwide.

Established in 2004, Intefun has grown quickly from a small, sole proprietorship trading firm to an international manufacturer of exquisite, ergonomically designed high performance sex toys, novelties and other personal health products. Our strong R & D is implemented by our creative Engineering Teams, who are well prepared for all of our own designs and OEM projects.

All our products go through testing for CE marking - EMC test, high-voltage test RoHS report water-proof test (optional) phthalates free test (optional) final random inspection report from one of the largest testing house in the world- SGS

Our Quality Inspection Teams ensure that our products maintain their international quality standards as specified by the countries of import, worldwide. Under the supervision of our experienced Production Team and by using advanced production equipment and hi-tech machinery, our trained workers continuously and efficiently manufacture superior quality products.
